

C2G
Discontinued - 6ft (1.8m) 18 AWG Hospital Grade Power Cord (NEMA 5-15P to IEC320C13R) - Gray with Clear Connectors (TAA Compliant)
Part No. CG-48056

Power cords used in hospitals and other medical settings must conform to strict standards for grounding reliability, assembly integrity, strength and durability, as well as regulatory standards such as NEMA and IEC specifications. These standards are in place to ensure that power cords are safe and reliable for use in demanding hospital environments. The hospital grade power cord selection from C2G, formerly Cables To Go, offers one of the broadest selections available on the market.

From our vast selection, you'll find the right solution for replacing an overused or misplaced power cord, or to optimize office or lab layout with a cable that is the perfect length needed. This cable, from our universal C13 series collection, will work with most PCs, monitors, scanners, printers and many other devices that are powered via the industry standard 3-pin C14 connector inlet.

The female C13R connector plugs directly into the device while the male hospital grade 5-15P connector plugs into a hospital grade supply outlet. The clear connectors work with almost any environment or hospital standard. Performance is guaranteed through a lifetime warranty so performance is never an issue. Easily recognizable with the Green Dot mark, this hospital grade power cord ensures compliance and delivers maximum performance.

Features & Benefits

Hospital grade certification ensures safety and reliability	Ample length provides flexibility in device placement
Reliable power transfer ensures efficient and reliable performance	Hospital grade certification ensures safety and reliability in healthcare facilities and other environments where safety is a top priority
Wide compatibility ensures that the cord can be used with a wide range of devices	Clear connectors make it easy to identify the correct cord
PVC jacket ensures durability and flexibility, even with frequent use	

Specifications

General Info

Product Line	C2G	Color	Gray
UPC Number	757120480563	Country Of Origin	Taiwan, Province Of China
Application Sector	Commercial	Warranty Type	Lifetime
Type	Power Cord		

Dimensions

Product Length US	6.0 FT	Cable Length	6 ft
-------------------	--------	--------------	------

Trade Programs

TAA Compliant	Yes
