

Gain maximum flexibility in positioning your monitor with this angled connector cable. The right-angled connector allows installation in even the tightest locations; the cable breaks downward from this connector. This premium VGA cable is ideal for video presentation devices, video splitters, and KVM switches. Constructed from premium grade video cable, it uses a combination of coax and twisted pair to accommodate cable runs up to 100 feet away without a booster (in most cases), and without the typical distortion problems associated with extended length cabling runs.

SXGA provides a screen resolution of 1280 x 1024 pixels. Not sure what resolution you need? See our

## Features & Benefits

- 90° downward angled connector
- Supports up to a 1280x1024 resolution
- 24 AWG conductor construction

## Specifications

### General Info

Product Line	C2G	Color	Gray
UPC Number	757120520146	Country Of Origin	China
Features	Right Angle	Application Sector	Commercial, Residential
Type	Cable		

### Dimensions

Cable Length	1 ft	Outside Diameter	9 mm
--------------	------	------------------	------

### Technical Information

Jacket Material	PVC (Polyvinyl Chloride)	Wire Gauge	28 AWG
Video Resolution	SXGA (1280x1024)	Shielded/Unshielded	Shielded
Shield Type	STP	Cable Type	Video
Jacket Rating	Standard / Non-Rated	Cable Diameter	9 mm
Connector 2	VGA Male	Connector 1	VGA Male
Video Output Support	VGA	Video Input Support	VGA
