

C2G

**Discontinued - 6ft (1.8m) Premium Shielded HD15 SXGA M/M Monitor Cable with 90° Downward-Angled Male Connector**

Part No. CG-52016

Gain maximum flexibility in positioning your monitor with this angled connector cable. The right-angled connector allows installation in even the tightest locations; the cable breaks downward from this connector. This premium VGA cable is ideal for video presentation devices, video splitters, and KVM switches. Constructed from premium grade video cable, it uses a combination of coax and twisted pair to accommodate cable runs up to 100 feet away without a booster (in most cases), and without the typical distortion problems associated with extended length cabling runs.

SXGA provides a screen resolution of 1280 x 1024 pixels. Not sure what resolution you need? See our

## Features & Benefits

90° downward angled connector

Supports up to a 1280x1024 resolution

24 AWG conductor construction

## Specifications
