

Gain maximum flexibility in positioning your monitor with this angled connector cable. The right-angled connector allows installation in even the tightest locations; the cable breaks downward from this connector. This premium VGA extension cable is ideal for video presentation devices, video splitters, and KVM switches. Constructed from premium grade video cable, it uses a combination of coax and twisted pair to accommodate cable runs up to 100 feet away without a booster (in most cases), and without the typical distortion problems associated with extended length cabling runs.

SXGA provides a screen resolution of 1280 x 1024 pixels. Not sure what resolution you need? See our

Specifications

General Info

Product Line	C2G	Color	Gray
UPC Number	757120520214	Country Of Origin	China
Features	Right Angle	Application Sector	Commercial, Residential
Type	Cable		

Dimensions

Cable Length	1 ft	Outside Diameter	9 mm
