

This DisplayPort 1.2 to Dual HDMI MST Hub allows a DisplayPort enabled device to connect to two HDMI enabled displays for video mirroring, video extension, or viewing a single video image across two displays. The hub is perfect for graphic design, spreadsheet analysis, and digital signage applications.

Improve multitasking and increase productivity by configuring the hub to work as a splitter with the same video image on each display, extending a video image to multiple displays, or expanding a video image by joining multiple monitors together as one display. The hub is ideal for a multiple display desk setup and the light-weight, small form factor, also makes it easy to carry while traveling or just on the go

The hub supports resolutions up to 4K (3840 x 2160) at 60Hz when connected to a single display or 4K (3840 x 2160) at 30Hz when connected to dual displays and has a max bandwidth of 5.4Gbps.

Note: This hub requires 5V/2A of power. In some instances, depending on the connected source device, additional external power may be required through the USB Micro-B port on the hub. Optional Micro-B power cable available (Part No. 27053).

This MST hub is DisplayPort 1.2 compliant. The source device video card and display must support DisplayPort 1.2 and MST.

Features & Benefits

Multi-Stream Transport (MST)	Supports dual display resolutions up to 4K (3840 x 2160) at 30Hz
Supports single display resolutions up to 4K (3840 x 2160) at 60Hz	5.4Gbps max bandwidth
Supports 7.1 channel sound	DisplayPort 1.2 standards
USB Micro-B port for additional power (see note)	

Specifications

General Info

Product Line	C2G	Color	Black
UPC Number	757120542933	Country Of Origin	China
Application Sector	Residential, Commercial	Warranty Type	3-Year
Type	Hub		

Dimensions

Cable Length 0.67 ft

Additional Information

Prop 65 Warning Required Yes Prop 65 Warning Language Cancer and Reproductive Harm

Technical Information

Jacket Material PVC (Polyvinyl Chloride) Video Resolution 4K 30Hz, 4K, 1080p

Jacket Rating Standard / Non-Rated Data Transfer Rate 5.4 Gbps

Adapter Rear HDMI Female, HDMI Female, USB Micro-B Female Adapter Front DisplayPort Male
