C2G

Discontinued - 500ft (152.4m) Cat5e Bulk Unshielded (UTP) Ethernet Network Cable with Solid Conductors - Riser CMR-Rated - Red
Part No. CG-56008

This riser rated Cat5e cable is perfect for creating custom length horizontal network cable runs. This cable offers an exceptional value for jobs that require standards compliance at a cost-effective price and meets all of the ANSI/TIA-568-C.2 specifications. It also offers other features that make it easier to use, save on installation time and expense, and ensure product quality during the installation. This cable features markings in feet and meters, which marks the exact amount of cable remaining in the box, and a wide opening for the payout design, which reduces tension on the wire as it is pulled during installation.

Features & Benefits

Riser, CMR-Rated jacket	Meets ANSI/TIA-568-C.2 specification
Tested to 350 MHz	Foot and Meter marked to show the amount of cable left in the box
Alpha numeric code printed every 2 feet for easy identification of cable runs
