

This riser rated Cat6 cable is perfect for creating custom length horizontal network cable runs. This cable offers an exceptional value for jobs that require standards compliance at a cost-effective price and meets all of the ANSI/TIA-568-C.2 specifications. It also offers other features that make it easier to use, save on installation time and expense, and ensure product quality during the installation. This cable features markings in feet and meters, which marks the exact amount of cable remaining in the box, and a wide opening for the payout design, which reduces tension on the wire as it is pulled during installation.

Features & Benefits

Riser, CMR-Rated jacket	Meets ANSI/TIA-568-C.2 specification
Foot and Meter marked to show the amount of cable left in the box	Alpha numeric code printed every 2 feet for easy identification of cable runs

Specifications

General Info

Product Line	C2G	Replaced by Part Number	56015
Color	Gray	UPC Number	757120560166
Country Of Origin	United States	Features	PoE (Power Over Ethernet), Solid Conductors
Application Sector	Commercial, Industrial, Residential	Type	Cable

Dimensions

Cable Length	500 ft
