

C2G Discontinued - Replacement Key Plate

Part No. CG-98073

The replacement key plate provides secure seating for the 8 programmable buttons of the TruLink A/V Controller. Each button slot is numbered for easy identification and operation, particularly when programming the controller upon installation or equipment upgrades. The key plate also includes a USB On-the-Go (OTG) port with a protective cover as well as the infrared port with a protective cover.
