

The Patent Pending Universal 4K HDMI Dongle Adapter Ring is the perfect addition to conference rooms, huddle spaces, lecture halls, or classrooms to make sure that anyone can connect. The standard configuration includes the adapters to connect nearly any device to the in-room display while supporting up to a 4K video resolution. Choose from HDMI to DisplayPort, Mini DisplayPort, USB-C, or Lightning to meet connectivity challenges.

**Dongle Style Adapter**

It can be awkward when connecting an adapter to a smaller laptop or tablet. The adapter may not line up correctly, causing the computer to shift or not set flat on the table. The dongle style adapter gives more flexibility, allowing for better placement when connecting to thin or lighter weight laptops.

**Color Coded Adapters**

The DisplayPort, Mini DisplayPort, and USB-C adapters are color-coded with a band that saves time and frustration by making it easy to identify the adapter you need.

**Integrated Pull Tab**

Quickly grab the adapters when you need them with the integrated Pull Tab that is also available to be customized to feature your company or organization logo. Minimum order quantities apply to customized Pull Tabs.

**Universal Cable Mount**

The universal cable mount attaches directly to the in-room HDMI display cable, ensuring that the adapters are always within reach. The adapter ring slides to the HDMI connector when needed and out of the way when not in use, reducing strain on the HDMI cable and clutter on the tabletop. The optional stopper fits on HDMI cables from 5mm to 10mm in diameter and prevents the adapters from sliding too far down the cable.

**Tools Included**

The tools for mounting the adapters and optional stopper are in the box to simplify the installation process. The innovative HDMI Cable Gauge Tool reduces stopper installation time by allowing the right-sized stopper insert, allowing for quick identification of the HDMI cable.

[Learn more](#) about how the team at C2G can help configure the HDMI Adapter Ring to meet the exact needs of your application.

**Features & Benefits**

- Adapters support up to a 4K video resolution, so meeting attendees will be able to see the displayed content for improved comprehension and detailed decision making
- The included Lightning adapter supports up to a 1080p video resolution
- The DisplayPort, Mini DisplayPort, and USB-C adapters are color coded, so no more frustration trying to find the adapter that you typically use for your laptop
- Integrated pull tab, so the adapters can be accessed quickly or easily reached when they are tucked away
- Installation tools are included, so you save time and money by not needing to purchase any additional tools
- Backed by a Lifetime Warranty for peace of mind

**Specifications**

**General Info**

Product Line	C2G	UPC Number	757120300410
Country Of Origin	China	Application Sector	Residential, Commercial
Warranty Type	Lifetime	Type	Adapter

**Additional Information**

Prop 65 Warning Required	Yes	Prop 65 Warning Language	Cancer and Reproductive Harm
--------------------------	-----	--------------------------	------------------------------

**Technical Information**

Jacket Material	PVC (Polyvinyl Chloride)	Video Resolution	4K 60Hz, 4K 30Hz, 4K, 1080p
Cable Type	Adapter, Flexible	Adapter Rear	Mini DisplayPort Male, DisplayPort Male, USB-C Male, Lightning Male
