

This USB-C to HDMI Adapter Converter is an easy and convenient solution for connecting an HDMI monitor to a USB-C computer in your home or your office. This adapter converter supports up to a 4K resolution and meets the requirements of high performance applications.

Avoid frustration by simply plugging the adapter converter into your computer, then attach to the existing HDMI cable from your monitor or projector. The portable, compact design also makes it easy to carry in a laptop bag when traveling or on the go.

This adapter converter automatically converts USB-C to HDMI, supporting full HD resolutions up to 4K (3840 x 2160) at 60Hz.

Features & Benefits

- Adapts a USB-C output to HDMI, so no need to purchase a new monitor
- Plug-and-play, so no additional software or drivers needed
- Dongle style adapter reduces strain, prolonging the life of the port
- Supports resolutions up to 4K, for viewing your screen content at full HD
