

The Thunderbolt 3 10-in-1 Dual 4K Display Dock Kit connects to Thunderbolt 3 enabled MacBooks and laptops and includes the cable connectivity solution needed for up to two 4K HDMI® displays – making it perfect for transforming your laptop into a full desktop solution through a single connection point. Perfect for setting up a workspace at the office or in the home.

The included HDMI and USB-C to HDMI cables allow this dual 4K display dock kit to connect to one or two 4K HDMI displays. This dock supports up to two displays with resolutions up to 4K (3840 x 2160) at 60Hz for high definition audio/video. The USB-A ports are perfect for adding a keyboard/mouse combo, charging a phone, or connecting a storage device supporting SuperSpeed USB 5Gbps data transfers # allowing up to 32GB of data to be downloaded in under a minute. The Thunderbolt 3 ports support data transfers up to 40Gbps # 8x faster than SuperSpeed USB 5Gbps. The Ethernet port allows for reliable internet connectivity with file transfer speeds up to 1000Mbps. Access multimedia content quickly with the SD 3.0 card reader that supports SD, SDHC and SDXC up to 128GB.

This Thunderbolt 3 Dual Display Dock offers 135W to support connected devices, such as keyboards, mice, portable hard drives, and other peripherals, all while supporting up to 60W of power delivery to charge and power a commercial workstation laptop when using the USB-C power adapter that is included with the laptop. The maximum power capacity depends on how much power the connected adapter can supply. Laptops or tablets that require more than 135W may charge at lower speeds. This docking station includes a 135W power supply.

This Thunderbolt 3 USB-C Dual Display Docking Station has been tested for full compatibility with Windows, Mac, and Linux operating systems.

PORTS

4K HDMI: Connect to a 4K display using the included HDMI cable.

1x Thunderbolt 3 Video and Data: Connect to a 4K display using the included USB-C to HDMI cable or transfer data up to 40Gbps from a storage device.

1x Thunderbolt 3 Power and Data: Transfer data up to 40Gbps from a storage device and power a commercial laptop with up to 60W power delivery.

4x USB-A: Connect a keyboard/mouse combo, charge a phone, or connect to storage devices and transfer data up to 5Gbps.

1x USB-A with BC 1.2: Connect storage device and transfer data up to 5Gbps through the USB-A port. This port supports BC 1.2 for enhanced mobile device charging.

Gigabit Ethernet: Connect to local network for network and internet access.

Combo Audio Jack: Connect headphones, speakers, and headphone/microphone sets for audio output and input.

SD 3.0 Card Reader: Insert SD memory card for data transfer.

Features & Benefits

- Includes the cables needed to connect the dock to two 4K HDMI displays
- Includes 135W power supply to support connected displays and devices
- USB-A ports to add keyboard/mouse combo, storage devices, or to charge a smart phone
- Thunderbolt 3 port supporting 40Gbps data transmission or 60W power delivery
- SD Card Reader to transfer pictures, video, or other multimedia
- Compatible Thunderbolt 3 enabled laptops with Windows, Mac, and Linux operating systems
- Supports HDMI and Thunderbolt 3 resolutions up to 4K, for viewing your screen content at full HD
- Supports up to 60W of power delivery to keep your laptop charged
- BC 1.2 USB-A port for enhanced mobile charging
- Hard wired Ethernet port for when security requires it or when Wi-Fi™ is not available
- Reversible, symmetrical USB-C connector, for plugging a single connection into your laptop
- 5 year warranty, for peace of mind – with the highest quality docking stations

Specifications

General Info

Product Line	C2G	Color	Black
UPC Number	757120544784	Country Of Origin	China
Application Sector	Residential, Commercial	Type	Docking Station, Kit
Additional Information			
Prop 65 Warning Required	Yes	Prop 65 Warning Language	Cancer and Reproductive Harm
Technical Information			
Video Resolution	4K 60Hz, 4K 30Hz, 4K, 1080p	Data Transfer Rate	40 Gbps
Adapter Rear	USB 3.0 A Female, RJ-45 Female, USB-C Female, USB-C Female, HDMI Female, 3.5mm Female, SD Card Reader, USB 3.0 A Female, USB 3.0 A Female	Adapter Front	USB-C Male, USB-C Male, HDMI Male, HDMI Male
