

Customers are encouraged to migrate to new Cisco compatible Gigabit Ethernet SFP transceiver modules: [L_path="https://www.cablestogo.com/product/GLC-LH-SM-LEG/cisco-glc-lh-smd-compatible-1000base-lx-sfp-mini-gbic-transceiver-module-with-digital-optical-monitoring-single-mode-1310nm-10km-lc-dom-taa-compliant"]GLC-LH-SMD-LEG[L]

This SFP (mini-GBIC) transceiver module is designed for use with Cisco network equipment and is equivalent to Cisco part number GLC-LH-SM. This transceiver meet or exceed the specifications of the OEM and to comply with Multi-Source Agreement (MSA) standards. This product is 100% functionally tested, and compat guaranteed. The transceiver is hot-swappable input/output device which allows a Gigabit Ethernet port to link with a fiber optic network. OEM specific configurati loaded on to the EEPROM of the transceiver at the factory, allowing this transceiver to initialize and perform identically to an OEM transceiver. This transceiver m and deployed with other OEM or third party transceivers and will deliver seamless network performance. A list of compatible network equipment is available on t tab of this page.

[B]Please Note:[/B] Installing Legrand transceivers does not void your network equipment warranty. Network equipment manufacturers all have guidelines statir warranty support on their products will not be affected by installing a Legrand or any third party transceiver.

Cisco and the Cisco logo are trademarks or registered trademarks of Cisco Systems, Inc. This product is not certified or endorsed by Cisco Systems

Features & Benefits

- Functionally identical to GLC-LH-SM
- 1310nm wavelength signaling
- LC ports designed for use with Single-Mode Fiber
- Supports up to 10 kilometers of cabling

Specifications

General Info

| | | | |
|-------------------|---------------|--------------------|------------------------|
| Product Line | C2G | UPC Number | 757120667032 |
| Country Of Origin | United States | Application Sector | Commercial, Industrial |
| Warranty Type | Lifetime | Type | Transceiver |

Additional Information
