

**C2G**  
**Discontinued - HP® J8177C Compatible 10/100/1000Base-TX SFP (mini-GBIC) Transceiver Module (Copper, 100m, RJ-45) - 5-Pack**  
Part No. CG-J8177C-LEG-5PK

This SFP (mini-GBIC) transceiver module is designed for use with HP network equipment and is equivalent to HP part number J8177C. This transceiver is built to meet or exceed the specifications of the OEM and to comply with Multi-Source Agreement (MSA) standards. This product is 100% functionally tested, and compatibility is guaranteed. The transceiver is hot-swappable input/output device which allows a Gigabit Ethernet port to link with a copper network. OEM specific configuration data is loaded on to the EEPROM of the transceiver at the factory, allowing this transceiver to initialize and perform identically to an OEM transceiver. This transceiver may be mixed and deployed with other OEM or third party transceivers and will deliver seamless network performance. A list of compatible network equipment is available on the Specs tab of this page.

[B]Please Note:[/B] Installing Legrand transceivers does not void your network equipment warranty. Network equipment manufacturers all have guidelines stating that warranty support on their products will not be affected by installing a Legrand or any third party transceiver.

## Features & Benefits

Functionally identical to HP J8177C	RJ45 port designed for use with Category Copper cabling
Gigabit Ethernet communication	Supports up to 100 meters of cabling

## Specifications

### General Info

Product Line	C2G	Color	Silver
UPC Number	757120669128	Country Of Origin	United States
Application Sector	Commercial, Industrial	Type	Transceiver

### Technical Information

Max Distance Support	100 m
